Explanation of Responses:

1. This report reflects the recission of a sale previously reported on November 12, 2026 which was reported to have occurred on November 9, 2026. The transaction was rescinded because the reporting person's broker failed to timely file a Notice of Proposed Sale under Rule 144(h), a necessary condition to the completion of the sale. On November 18, 2026, following discovery of this error, the broker rescinded the previously reported sale through its broker's error account and effected a purchase of the same number shares at the same price as the rescinded transaction. This transaction was matchable under Section 16(b) of the Securities Exchange Act of 1934, as amended. Promptly upon being made aware of this transaction, the reporting person paid the issuer the full amount of profit realized in connection with the short-swing transaction that resulted due to other matchable sales made by the reporting person that have been previously reported.

2. This total includes approximately 13,119 shares purchased pursuant to the TrueBlue, Inc. Employee Stock Purchase Plan.
